

Student Information

Official Name: _____

Preferred Name: _____ Banner ID Number: _____

Anything I should know (IEPs, lab conflicts, etc.): _____

The following questions will be used to help me have a better idea of topics to emphasize.

Select the option that most closely matches the highest level chemistry course that you have previously completed.

- Standard high school chemistry (not AP)
- AP Chemistry
- Dual-enrollment college chemistry in my high school
- College chemistry at a community college
- College chemistry at a four-year college or university
- None

What is the highest-level math course that you have completed at Truman?

- MATH 156 (College Algebra)
- MATH 157 (Trigonometry)
- MATH 186 (Elementary Functions)
- MATH 198 (Calculus I)
- MATH 263 (Calculus II)
- MATH 264 (Calculus III)
- None (received AP or college credit that satisfies the Truman math requirement)
- Other (please specify _____)

I attest that I have read and understand the course policies set forth in the abridged (handed out in class) and general syllabi (<http://www2.truman.edu/~jmccormi/GeneralSyllabus.htm>).

The Federal government has ruled that “leaving personally identifiable, graded papers unattended for students to pick up” violates student privacy. *By signing below, you indicate that you will allow me to place your graded papers in a public place for you to pick up.* If you do not sign, I will hand back your papers to you personally.
