The following questions will be used to help me have a better idea of the class's background.

Did you take AP Chemistry in high school?            Y        N

Is this your first chemistry class at Truman?            Y        N

If you didn't have me for CHEM 120, who did you have? \_\_\_\_\_ (optional)

What grade did you receive in CHEM 120? \_\_\_\_\_ (optional)

I attest that I have read and understand the course policies set forth in the abridged (handed out in class) and general syllabi (<http://www2.truman.edu/~jmccormi/GeneralSyllabus.htm>).
