

MCS COLLOQUIUM

DARWIN 200

Michael Adams (Math)
Jon Beck (Comp Sci)
Jon Gering (Biology)
Roy Wright (Math)

3:30 pm
Tuesday, April 28th
Violette Hall 1010

On Thursday 12 February, we celebrated 200 years since Charles Darwin, one of the world's most creative and influential thinkers, was born. In this colloquium we will look at his scientific ideas and their impact on mathematics and computer science. (**Note:** Special venue.)
